Thank you, Ruth – everything went great, we were all really impressed!!! The hospitality and your exceptional customer service made for a wonderful event. I have coordinated many huge fundraisers (used to work for a non-profit) and have never been so at ease. As mentioned to Noelle – you were all awesome.

M&A Advisor – Meetings, Lunch, Awards Gala Dinner, Room Block – March, 2010

I am writing to thank you (Ruth) for your invaluable contribution to the success of the 4th Annual Distressed Investing Conference & Turnaround Awards Gala. You provide the perfect setting and all of the amenities for this event.

And while all of your team were friendly, helpful and considerate I do wish to call special attention to Michael McKinney. From the moment we arrived until the last boxes were packed up to return back to New York, Michael was ever present. And while that in itself is admirable, his positive “I’ll get it done – that’s not a problem” demeanor, his attention to every detail and his foresight were most appreciated. It was an absolute pleasure to work with Michael, from beginning to end he acted like he was a part of our team. What more could we ask for?

The dinner party for Betty’s birthday at The Colony was indeed a success, judging from the accolades rendered to Betty since Saturday.
